**ATHLON PHYSICAL THERAPY
STEPS UP TO COLLECT FOOD FOR THE
COMMUNITY FOOD BANK**

Tucson, Arizona: Athlon Physical Therapy at Tanque Verde Place was the Community Food Bank's largest single day food drive pickup in November 2009 with 4,884 pounds of food. The staff was surprised that their small office on Tanque Verde actually held that much food.

Amanda Tvedt, Facility Director reported that the boxes of food filled the entire front half of the clinic. After an initial visit, the Community Food Bank had to send a larger truck to pick up all of the donated food. "Our patients and other local businesses demonstrated true generosity with their donations during these challenging times," said Tvedt.

Athlon Physical Therapy has two locations in the Tucson area at 12460 N. Rancho Vistoso Boulevard, Suite 140 in Oro Valley and 7483 E. Tanque Verde Road in Tucson. Both Athlon locations will continue to proudly support the Community Food Bank in Tucson as food donation drop off sites.
